Inspired by the Me to We philosophy, the Me to We Style brand is exclusively manufactured and distributed in Canada. The concept of living Me to We means working together to create sustainable change and making a difference with everything you do—from choosing eco-friendly products that leave a positive footprint on the planet, to making purchases that give back. Together we can transform the world to being a better place.

From fabric selection to manufacturing, all Me to We Style garments go through a rigorous review process ensuring that our clients receive the highest quality products.

- The cotton is grown organically in Turkey and India using environmentally friendly certified practices.
- Cotton is harvested and spun into yarn while still in Turkey and India using ethical manufacturing practices.
- The fabric is knit, dyed, cut and sewn in Canada by HighLine Apparel.
- The finished products are meticulously embroidered, screen printed and dyed with AZO-free colors in Canada.

- All fabrics used are ringspuncombed organic cotton which is GOTS certified. The Global Organic Textile Standard (GOTS) is the world's leading processing standard for textiles made from organic fibers.

Through our ethically manufactured, eco-friendly products, our partners have helped:

OFFSET OVER
340,000 LBS
OF PESTICIDES

PLANTED OVER
975,000 TREES IN THE
MAASAI MARA REGION

Proceeds from a Me to We Style purchase will go towards an annual donation to Free The Children's Agriculture and Food Security pillar. For more information please visit: www.we.org

To find the perfect size and fit for you, simply follow the three easy steps below. Please note that Me to We Style shirts shrink an industry standard of 2 - 3% after they are washed and dried. Our sizing chart reflects the adjusted measurements.

1

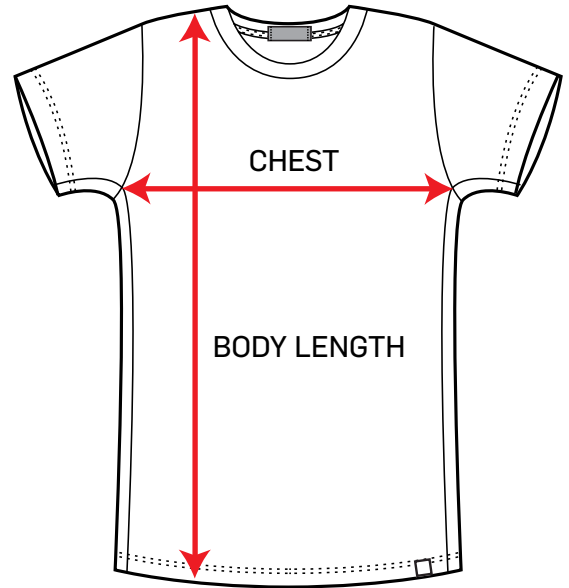

Take your favourite t-shirt out of your closet.

2

Measure its width from one armpit to the other.

3

Find the matching measurements on the size chart, and you have found the t-shirt for you!

| Terms and Conditions

Minimum Order: Me to We Style wholesale minimum orders are 12 units per style, per color with a few exceptions. Any of our styles can be produced using Me to We Style core colours at a minimum of 150 units per order. Custom styles and custom Pantone colours require a minimum purchase of 350 units.

Samples: Samples qualify as one unit per style, per size. All samples are priced based on the third column pricing, plus applicable taxes and freight costs. Samples can be kept by the client for a period of 30 days at no cost, however return transportation will be at the client's expense.

Production Lead Times: Orders or pre-production proofs of decorated apparel: 10 days + shipping time following required approvals. If special printing or embroidery requirements are required, timelines may slightly shift.

Deliveries/Rush Deliveries: The goods are shipped FOB through FedEx or Canada Post pending the volume, unless an alternative is appointed. Shipping costs are added to all invoices. We cannot be responsible for third party delays in deliveries as these circumstances are outside of our control. Rush deliveries will have a 15% surcharge per order and will be produced without approval within 72 business hours.

Price, Availability/Variations: Prices are subject to change without notice. Orders are accepted based on the price quoted when the order is received and placed by one of our account executives. The manufacturer reserves the right to modify or discontinue styles, colours, sizes or fabrics without notice.

Packing, hang tags, special labels and folding (minimum 12 units): Unless specified, apparel will be packaged and placed in boxes in order of size. Special folding and poly-bagging will have additional fees for processing.
